Trout Haven News

Whats new at the Resort?

Something new we are doing beginning this year is when new members enroll, we are prorating their first year so they do not have to wait until January to enroll. This is a once-in-a-lifetime prorated dues. If a member does not renew in January and then rejoins later on, the prorated dues will not be allowed a second time. The one-time prorated dues will encourage new members to join, so keep that in mind when referring a friend. Also remember that you get \$100 credit off your next year's membership when someone you refer joins.

Reminder

Our Annual Members Meeting has been rescheduled for
Saturday, June 2, 2012 .

It will be held at the Pavilion from 12 p.m. - 2 p.m.

At this time we will give out awards for the biggest three catches for the winter fishing contest.

We are looking forward to seeing everyone there !

left to right... Christine, LaDonna , David and Kim

Some of you have had the privilege of meeting David, our former grounds man. He took a maintenance job with one of the casinos in Cripple Creek. David has done amazing work on the resort grounds in a very short time and is a working machine! His wife, Kim, joined us for his farewell pizza party . We all wish David the best of luck and he will be missed.

For Your Information

"Metal Drive"

April 14, 2012 thru May 29, 2012

There is an area located by Sun Lake where any old grills, metal chair frames, odds and ends made of metal from your campsite, can be taken. There is a sign to indicate where to place your metal throwaways. So let's open up our sites for the season and do our spring cleaning, and help beautify the resort in the process!

Our 1st Fish Stocking will be at 1:00 pm on Monday, May 21, 2012.
We do encourage and welcome all members !

Winter Fishing Report

On your mark...get set ... GO Fishing

The 2012 "Winter" Fishing contest is going strong and we are seeing some very stiff competition out here on the resort!

Deb Hollenbeck caught a 2 $\frac{1}{2}$ lb 20-inch Brown Trout at Dragonfly on Monday April 9th at 4pm using a 3" Berkley artificial minnow, with the additional help of White Zinfandel (approximately 3 glasses).

Hank Strong caught this healthy 20" Rainbow Trout at Cloud Lake on Tuesday April 17th at 2:00pm using a Berkley Gulp 3" Smelt (non-floating smelt) and Spin Cast Rod Zebco 33 . It

was a healthy fish and put up a good fight! Hank's wife, Gwendy, claims she actually caught the fish and Hank said, "Here, Honey, I'll hold the fish for you while you take a picture." There is never a dull moment with that fun couple!

REMINDER

Winners will be announced on June 2, 2012 at the Members Meeting !

Email us a picture with you holding your fish (both you and the fish must be together in photo) at the lake where you caught your 'trophy' fish along with weight and measurements to, ldr@pkenterprisesinc.com .

Member`s Corner

Member`s Tuesday Only

Now that the lakes are thawed, the "Tuesday Only" rule is reinstated for the four lakes: Bear, Deer, Summer, and Forest. Please fish these lakes on Tuesdays only, catch-and-release only.

FREE BAIT

Yes, that is right! Our lakes are loaded with crawdads which make a wonderful bait for trout, plus they are free for the taking. Fish can't afford to pass up such a large meal! So get out your nets and catch you some crawdads.
